

Dear Resident,

Further to our initiative to report Fire Risks and manage this with the appropriate authorities we currently have received 17 Fire Risks.

As you know the plan is to divide Montgo into 4 Zones.

- Zone 1 C/ Andromeda to C/Ermita .
- Zone 2 C/ Ermita to C/Pic del Montsia
- Zone 3 C/ Pic del Montsia, Castellans to C/ Jurados.
- Zone 4 The Valls

Fire Risks reported so far:

- Zone 1 - 5
- Zone 2 - 9
- Zone 3 - ZERO
- Zone 4 - 2
- Parque Montgo 1

Those of you living in Zone 3 and The Valls please let me have your Fire Risk if you have one and a photo. It will only take you a few minutes and we need it on record for discussion. Please send this to me asap: incendiosapmj@gmail.com

Finally, I have received so far 4 Volunteers to help co-ordinate Zones 1 & 2.

Nobody has come forward for Zones 3 & 4. It is not an onerous task so please help.

Look forward to further reports and Volunteers!

Best regards,
Tim Fawle
