

THE VILLAGE BY NIGHT

Due to the overwhelming success of the guided tour in English earlier this week, Tourism have decided to schedule another night walk around the historic centre for Monday 18th August at 10.00pm. Places are limited and the last event was over-subscribed so don't delay in pre-registering your interest either with any of the Xàbia Tourist Info offices or by telephoning 96 579 43 56 or 96 579 07 36. The cost is 6 euros for adults and 3 euros for kids.

Guided by friendly ghost Miguel, you will discover some of the hidden history of Jávea including the locations of the three old town cemeteries, the site of an old chapel, the mystery of the convent and enjoy a fantastic night-time view over the town from the top of the museum. It really is worth the effort.

So, don't delay! Register now!
