### **NEWSLETTER APMJ February 2014**

Dear All,

I hope you have enjoyed the festivities and are all ready for this year. Listed below are some points of interest.

#### **Annual General Meeting**

Please make a note in your diary that our AGM will take place on March 17 at the Social Centre Javea town. It will start with coffee from 10.00am with the meeting starting at 10.30am.

Please make every effort to attend - as a member we value your participation in this meeting.

A full Agenda will be issued later this month.

We have received a nomination for President to replace me after my 4-year term. Andy Symmonds is a permanent resident here and, subject to being elected by the General Assembly, will take over in due course. Please send me any further nominations for any of the positions within our Committee for inclusion in the General Assembly Meeting.

#### **Asphalting on Montgo**

We submitted a list of roads to Paco Torres, Councillor for Infrastructure, for repair from this year's budget.

As I mentioned at our previous meeting we have asked him to prioritise roads in order of repair.

There are many roads that are in a poor condition and he has personally visited the area to compile the list of priorities. This work is scheduled to start in June when the monies are made available from the *Generalitat de Valencia*.

For our forthcoming AGM in March I have invited Paco together with our mayor José Chulvi and Doris Courcelles.

#### **Buzón Update**

All Buzóns are now taken up so if any member or new member requires one they will go on a waiting list until we have a sufficient number to purchase a smaller Buzón Bank.

#### **Cleaning of the Barrancas**

Those of you who live close to a Barranca (dry riverbed) will have seen that work has starting and in some cases completed. Our congratulations go to Doris Courcelles and her Town Hall team for the good work.

#### **Membership**

If you have not paid your 2014 membership please come along to our Montgó Mornings at Le Gourmand Restaurant on the first Tuesday of every month and pay our Membership Secretary Chris Winter who will be happy to see you!

#### **Montgó Mornings**

There is a good attendance at the Montgó Mornings on the first Tuesday of every month.

This is an excellent opportunity to meet fellow residents in an informal atmosphere and discuss any problems you may have with committee members and Doris Courcelles, our councillor, and Sally Skelton, our APMJ Advisor. Le Gourmand is a convenient venue for these Mornings.

#### **Neighbourhood Watch**

You will have received recent reports from John Sloggie our new NHW Co-ordinator, who has taken over from Phil Fraser. On behalf of everyone our thanks to Phil for his Alerts and as you will have seen John has already circulated various alerts so "Keep Watching". Thank you John for your help.

The Local Chief of Police José Antonio Montfort, who some of you have met at our last meeting, is very keen to periodically meet our members and during this year we will ensure he attends our general meetings or Montgó Mornings to fully inform everyone of what is going on.

### **Social Secretary**

We have a vacancy for this position as Liz Yardley will no longer be working in this function. Thanks to Liz for your work last year in organising some very interesting events which we plan to continue this year.

If you would like to volunteer for this position please contact Barbara or myself. It is not time consuming but rather enjoyable!

### **Social Events**

Over 30 members visited the Desalination Plant and enjoyed a very interesting tour in August.

We would like to organise another visit in the spring for those people who were unable to attend and will advise you in due course.

### **Website**

There are some very interesting items on the Website and I ask you to please make a habit of regularly visiting [www.montgoresidents.com](http://www.montgoresidents.com)

Please familiarise yourself with the website as it is designed for you and has some interesting features such as Recommended Services, Local Events, and APMJ Updates

Your Committee looks forward to seeing you at one, or all, of the events mentioned

Best regards,

Tim Fawle  
President APMJ
