NEWSLETTER APMJ February 2013

Dear All,

Please see below a few items of interest for you.

Asphalting on Montgo

We are still awaiting news re the Calles pending asphalt which should have been dealt with during last month when the contractors were supposed to return to Javea. Please let me know when you see the machines at work.

Buzon Update

Anyone wishing to purchase a Buzon in the recently installed buzon at the Clinica dental should contact montgo.residents@gmail.com

Montgó Lunch February 28

You have already seen the recent communication from Liz Yardley advising that a lunch has been organised at El Gaucho for February 28 at 13.30hrs. This is an excellent opportunity for those interested members to meet fellow residents in a nice restaurant. Comments from many members have indicated they would like attend these lunches and from the last lunch at La Masena we had an excellent attendance so please try to come along. It is a great way to meet your neighbour/s!

Montgó Morning March 5

We have organised 2 Montgo mornings where members enjoy a coffee and meet fellow residents. The next morning will be again at Le Gourmand and this will start at an earlier time of 10.00am. One of our members recently attended a talk on the forthcoming Tax changes that affect everyone and commented how surprising it was that many people are unaware of these changes. We have therefore invited a Tax Expert, Gloria Diego Herrero, to provide a short explanation of these changes and your obligations and this will start at **10.00am**. Please make every effort to attend as it is in your personal interest. Please see this link for more information. www.legalandtaxes.com

Issues/ Problems

If you have any issues where you need help particularly with Town Hall, Iberdrola and Amjasa issues or anything else, please contact Sally who is our advisor to APMJ and will help you with your problem. Sallysa30@hotmail.com Tel no 6 3323 6303.

Recommended Services

Some of you may have seen that the roof over one of the Buzons has been repaired. Through our Webpage I looked for a Recommended Services to do this job and contacted Juan Carlos of Technihomes. He promptly met me and saw the problem and very kindly completed the repair without charge to APMJ. On behalf of everyone our thanks to him for his services.

Membership Renewals

You will have already received a communication from Chris Winter our Membership Secretary regarding renewing your membership. We value your membership as your contributions make us a robust association with a strong voice that can influence what happens on the Montgó. This year we continued to develop good relations with the key players in the Town Hall who have shown their interest in APMJ by attending most General Meetings in 2012.

Dog Fouling

This continues to be a problem in some areas. APMJ has agreed to fund plastisized notices which can be attached to gates or posts where this problem occurs. This has been shown to have positive results. Anyone wishing to receive one of these notices should contact our secretary Barbara Walters: montgo.residents@gmail.com as we need to order them especially for you. These are funded by APMJ. We distributed 12 of these signs at the last Montgó morning.

Next General Assembly Meeting.

Please note that our next meeting which is the Annual General Meeting will take place on Monday April 8 at the Social Centre so please make a note in your diary to attend. Further details will be forwarded nearer the date

Best regards,

Tim Fawle
President APMJ
